Lunch 14:00-15:00

15:00-17:00 COST Action application, Chair Srecko Gajovic

- 15:00-16:00
 - o Presentation status (new members, new partners after second submission of COST Action application) + how do we continue to expand our network in a strategic sustainable way?
 - o First part of the application: the presentation of why, who, how etc. Is the proposal integrated and how does it draw on existing/planned research of network members? Is it simple/clear enough or too complex/unclear/inconsistent? How does it relate to existing knowledge/understanding of online health searching?
 - o Joint reading of the first part of the text
- 16:00-17:00
 - o Second part of the application: WORKING GROUPS, we need new and more WG (4-5)
 - o Discussions in smaller groups based on initial identification of themes for each WG
 - o Presenting results of the discussion
