9. Knowledge and navigation in a digitalised society – a key theme to be revisited?
How do we want to proceed?
 - Article collaborations to be submitted to different review journals? And/or continue/establish NKL-segment in one particular journal?
 - If we continue with the NKL-webinars, should we then also launch a NKL blog? If so, should we have an editorial board to ensure a trans-disciplinary peer review process?
10. Other
